WHAT IS THIS?

FREE Organic Period Products

Lots of students get their period unexpectedly at school or don't have access to pads and tampons when they need them. Let's work together to prevent the waste and misuse of Aunt Flow period products and dispensers!

Please take only what you need so there is plenty to go around!

changing
the world,
one cycle[™]
at a time

AUNT
flow

help us spread
period positivity

There are complimentary organic cotton tampons and pads offered in this bathroom!

Please take only what you need to ensure that everyone has access to these products.
